

PROJECT
HOPE
VIRGINIA

YOU DON'T HAVE TO GO IT ALONE.

If you are living in any of these situations...

On someone else's couch

On the street or in an abandoned building

In a car

In a motel or campground

In a shelter or temporary housing

Not at home due to feeling unsafe or unwelcome

...there is help available at school.

You can get help with:

-  Staying at the same school or enrolling at your local school
-  Transportation to and from school
-  Free school meals
-  Information about applying for college or career and technical programs
-  Applying for college financial aid
-  Connecting to resources

Reach out to a school staff member who you know and trust. They can help you get connected to your McKinney-Vento liaison or the right person at your school.
